

APPLICATION FORM

This application form is for a **grant of £450** from the Horizon Lectures Adventure Fund. The fund exists to encourage and enable people to undertake their own adventurous trips, ideas and expeditions. We welcome a broad range of ideas but we regret that we are unable to accept applications from individuals who are taking part in organised trips or commercial expeditions.

If your application is successful, you agree to:

- Deliver a 25-minute talk following your trip to the Horizon Lectures audience in Oxfordshire.
- Where applicable, acknowledge the Horizon Lectures Adventure Fund on the expedition website and in any expedition reports.

Please note that, to maximise the value available for the grant, we are unable to pay additional expenses for travelling to speak at our events in Oxfordshire. We recommend you take this into account, especially if travelling from outside the area, before making an application.

To apply for this grant please complete the application form below and email it, along with any supporting documents, to adventurefund@horizonlectures.co.uk.

There is no fixed closing date and we review applications on a rolling basis. We typically aim to inform you if have been successful within 3 months of application but this can be quicker if your timescales require. We may contact you to provide additional information or to arrange an informal phone interview.

Full information on the Horizon Lectures Adventure Fund, including terms and conditions and guidance on making a successful application, is available at www.horizonlectures.co.uk/adventurefund.

Good luck!
